

Cabinet Meeting - Subsidised Bus Decision

On 10th November 2015 Oxfordshire County Council's cabinet took the decision that the Council withdraw all subsidies paid to run 118 subsidised bus routes in Oxfordshire. This decision is subject to approval at the council's overall budget setting meeting in early 2016. The column 'Withdraw All' shows if a specific bus route is affected under this decision and the column 'All Subsidy Termination date' shows the subsidy withdrawal date.

A further decision was also taken by the cabinet that if the County Council's funding position contained the necessary surplus, this surplus would, where possible, be used to subsidise bus services that prioritise off-peak services. In addition rural services would be prioritised and special exemptions made for deprived areas and school routes. This final decision would be taken at the full budget setting meeting, attended by all Oxfordshire's Councillors, in February 2016. The column 'Withdraw £2.3m' shows if a service is affected under this proposal, and if it is, 'Subsidy Termination Date (£2.3m)' shows when the subsidy would be withdrawn.

Please note that the withdrawal of an Oxfordshire County Council bus subsidy does not necessarily mean that the service would be cancelled (or subsidised portion of the service). Removing a subsidy does not guarantee that the service itself will cease. If the service is well-used to a profitable level, the operator may decide to continue running it without any Oxfordshire County Council subsidy (or another operator step in and take it on). It would be up to the operator to review the service and decide whether they wish to continue operating it, or modify it to try and make it profitable (for example by re-routing or modifying the timetable). Oxfordshire County Council is in discussions with operators and will encourage them to try to maintain or commercialise services wherever possible if a subsidy is withdrawn.

Columns Key:

- **Service Num, Operator, and Service Description** identify the service.
- The **Subsidy Description** column explains which part of the service the subsidy supports, and hence which part is potentially at risk. Parts of the service that are not subsidised are operated commercially.
- **Withdraw All** shows that all services would have their subsidies withdrawn if no extra funding is secured in February. '**All Subsidy Termination Date**' gives the approximate month in which the subsidy would cease if the service is withdrawn.
- **Withdraw £2.3m** shows whether a subsidy would be retained or withdrawn if the funding position allows for it. '**Subsidy Termination Date (£2.3m)**' gives the approximate month in which the subsidy would cease if the service is withdrawn.

Please note that subsidy termination dates are estimated, and could be impacted by a variety of factors including the date that notice is confirmed, discussions with operators, and any delays in decision making. These should be treated as an approximate guide only.

The table is sorted in service number order.

Service Num.	Operator	Service Description	Subsidy Description	Withdraw All	All Subsidy Termination Date	Withdraw £2.3m	Subsidy Termination Date (£2.3m)
8	Stagecoach in Northants	Bicester - Silverstone	Oxfordshire part of the route only (shared with neighbouring council)	To Be Withdrawn	Mar 16	Retained	Retained
